## GRAND RE-OPENING OF THE HOLOCAUST MUSEUM

Mark your calendars for November 10th from 3 - 5pm for the museum's dedication ceremony at their brand-new location. The museum new location is 974 Imperial Golf Course in Naples. The event will include the ceremony (ribbon cutting), tours of the new facility, talks from staff and volunteers and activities for children. Marco Office Supply was honored to be chosen to remodel the new offices in the building. The museum is a message to all that what happened in WWII should never occur again. The mission of the museum is "Teach the lessons of the Holocaust to inspire action against bigotry, hatred and violence". This mission is accomplished through artifacts and photos from the Holocaust (over 1,000), educational programs and activities for students of all ages, general programs for the public and special events within our region and nationwide information. Make the museum a stopover or become a member.

## When Will We Ever Learn (Sigh)

Amazon is at it again with their "Amazon Smiles Program". What the program says is *if you purchase from them they will be happy to make a donation to the charity of your choice from your purchase*. Here is the truth behind Amazon Smiles:

- In the smallest of print, it states your charity will receive .005%. If you do the math, it is a 1/2 cent for every dollar. Wow!! Isn't that generous!!
- If you do the math further it means a \$100.00 purchase will allow for a \$.50 donation to your favorite charity.
- What makes this so clever is Amazon reaches out to Not for Profits to e-mail their membership or donation list to sign up for Amazon Smiles. How nice to use a Not for Profit for free advertise for little or no return.
- Some agencies we have asked in regards to the program have not received monthly, quarterly or yearly reports on monies that were to be donated to their organization. There are no accountability folks; however on the other hand why keep track for pennies on the dollar?!

So, here is what we recommend, you want to donate to a worthwhile charity, just write your own check to your particular. You don't know who is in your area? We have many worthwhile not for profits with great missions, outstanding community service and top notch volunteers. We would be happy to make recommendations based on your passion.

Trust in Marco Office Supply - **no fine print, no gimmicks, just the simple truth.** Stay local, Shop local and watch out for profit making gimmicks that truly don't give back.
