Project Spotlight: Sisbarro Acting School **"I CAN"**

DESIGNING for a CAUSE.

When Sisbarro Acting School contacted us to design Marketing Collateral for their sponsor booth at the upcoming Help a Diabetic Child Expo, we did not hesitate to partner with them. Tasked with the objective to create table top displays, postcards and a large floor banner that would communicate important campaign messaging to attendees, we knew we had to create something that would stand out in a sea of other vendors.

The **I CAN** Campaign lets every child know, that no matter what health restrictions or disabilities they may face, there is always a place for them at Sisbarro Acting School.
