2020

MARCO OFFICE SUPPLY, FURNITURE & PRINTING, INC.

## READY, SET, SEASON! <sup>the</sup>hive.

It's October. Already. Can you even believe it? It seems as though these past few months have been nothing but a bad dream but yet, here we are, staring in the face of another Southwest Florida "season" as all the fog begins to clear. While we don't know what to expect over the next few months, we can control how we band together as a community; how we engage with one another, how we react in certain situations and how we stand together to lift our neighbors up. This month at the Hive design studio, we're focusing on two very different initiatives and we hope you'll join in and come along for the ride!

**The first**, is our Community Outreach Design Partnership with the AAUW of Marco Island and the Shelter for Women and Children in Collier County. Did you know that October is Domestic Violence Awareness Month? We're honored to be able to help bring their initiative to life by designing collateral for their important mission and by also being a designated drop off center for their donation drive this month! Please see the poster below and consider donating anything you are able to!

The AAUW of Marco Island is hosting:  
**A Donation Drive** that  
Aids Victims of Domestic Violence &
