

NEWS

DECEMBER

MARCO OFFICE SUPPLY, FURNITURE & PRINTING, INC.

'Tis the Season...for Catalogs!

Our 2022 Office Supply catalog is fresh off the printer. Here at Marco Office Supply we love to call our catalogs "Solution Finders". What you probably didn't know is our products are marked to help you make informed decisions - Our guide includes:

What is new for 2022

Antimicrobial Products

Best Bang for the Buck

Woman Owned

Minority Owned

In addition we have warning labels designated for Property 65, Green Symbols, Recycle certification, Energy Compliance, Air Pollution Requirements and low chemical and particle emissions. We have products that support Breast Cancer Awareness and the City Of Hope Research and Medical Facility. Ordering the right product to fit the needs of your office; especially if you are Green Seal Certified can be confusing.

No worries, it is our job to help you through all the labels and warnings. Another plus in doing business with Marco Office Supply is we carry many products outside of our regular supply chain. We are members of several buying groups for those companies requiring larger quantity of product and we partnered with two American made companies:

1. **Buckeye Chemicals** for janitorial products
2. **Pacific Floor Care** for Cleaning Equipment.

Due to covid restrictions our sales representatives would appreciate if you would contact our office to make an appointment to go over your product and have our solution talk. We would like to hear how your year went and plans for your future as far as expansion and any furniture needs. Let us know your covid protocol and what is required (mask, appointment only, zoom or skype only).

**In 2022, we are wishing
Tom Compton a Happy Retirement!!**

He will be leaving Marco Office Supply and working within his ministry full time. All of Tom's clientele will be reassigned new sales representatives. Just to keep you in the loop, our sales staff consists of:

Philip Penzo – Owner
Brett Watt
Marianne Hemp
Gina Sisbarro

We are here to serve you better and keep your operations running smoothly.

*Have a Wonderful
Holiday Season
from all of us at
Marco Office Supply!*

Gina Sisbarro, Sales Representative with Marco Office Supply is premiering "American Abbey" for the Holiday Season. What makes this performance so special is it free to the public!! In addition, her actors are young adults in college and high school, participants from the MICMS Theater Club and her Youngest actor, who plays eight year old Timothy Dervish, is eight year old Fletcher Huey old from her YMCA theater program and summer camp. Aside from being free to the public, her studio "Sisbarro Acting Studio" has set up a scholarship fund for students at SW Florida College in the theater arts program.

Donations are accepted at the door before, at intermission and end of each play for this endeavor.

2021 Christmas Production

SISBARRO ACTING STUDIO
JOINS CHRISTMAS ISLAND STYLE
WITH THE PRODUCTION OF

AMERICAN ABBAY

If you are a fan of Downton Abbey, you will love the story of Lester Higgins who must earn his way into heaven by helping Preston Dervish and his children become the perfect English family and leave their American roots behind.

"Filled with Laughter, Zaniness & the Holiday Spirit"
